

ForKids Crisis Response

HCH757 Housing Crisis Hotline

The ForKids Regional Housing Crisis Hotline is the central point of contact for all persons experiencing a housing crisis throughout Southeastern Virginia.

Last year, the Housing Crisis Hotline received over 54,000 calls from nearly 27,000 households, 30% of whom were requesting emergency shelter because they had nowhere else to go.

The Hotline covers 14 cities across Southeastern Virginia. The growing call volume reflects both the level of housing instability in Hampton Roads and the Hotline's growing role as a critical connector between households and hundreds of vital community resources.
