The seed of a big idea

was planted over 30 years ago: homeless families and children should have shelter and a path out of homelessness and poverty.

Today, ForKids is the largest service provider for families and children in Virginia. Our Children's Art Auction is an essential part of how ForKids impacts the lives of over 63,000 individuals in our community each year. In one extraordinary night, hundreds of people come together and bid on priceless art with titles like "Rainbow Turkey" and "Bugs on a Windshield." In April 2018, over 680 people and 56 corporate sponsors raised over $1million to help homeless families and children right here in Hampton Roads.

ForKids is growing, and so is the number of children who need our help.

On March 30, 2019, we will once again watch our garden grow. Please join us as a 2019 Corporate Sponsor.
